Lessons

We welcome riders of all ages, disciplines, and levels of experience. Whether you are an equestrian who just loves to ride and wants to learn to be more connected to your horse, or a competitive rider looking to improve your performance in and out of the show ring, we can help you and your horse become a more flexible, confident and harmonious team.

If you are a dressage rider, eventer or show jumper our program can help you move up through the levels!

We strive to create a stable and supportive learning environment and encourage students to join one of our monthly lesson programs. *DCD strongly encourages leasing for students who do not own a horse, therefore single school horse lessons have very limited availability.* Single lessons are limited to 2 per month.
